AUTOMATIC VACUUM SUCTION

The Xblitz FX9 Power represents a new generation of phone mounts. Thanks to its automatic vacuum suction system, you're guaranteed a strong and stable hold on a wide variety of flat surfaces. What's more, with just one click, you can activate or release the suction – quickly, easily, and effortlessly. This innovative technology delivers stability, safety, and comfort you won't find in standard mounts.

EASY INSTALLATION

No tools required! Just press the Xblitz FX9 Power firmly onto a flat surface, and it will attach securely. It's a quick and easy way to mount your device anywhere you need. To remove the holder, simply press the power button and gently pull the device towards you – it will detach effortlessly without leaving any marks.

WIRELESS CHARGING

When you place your smartphone on the holder, you get both easy access to the screen and a constant power source. Thanks to wireless charging of up to 15W, the Xblitz FX9 Power keeps your device powered during every trip or daily activity. Your phone is always ready to go – no more cables or plugging in chargers.

360° ROTATING HEAD

The 360° rotating head lets you easily adjust your phone to the perfect viewing angle. Your smartphone isn't locked in one rigid position – you can freely rotate and tilt it to suit your needs. Whether you're driving and using navigation, watching a movie, or on a video call, the Xblitz FX9 Power guarantees complete flexibility and maximum comfort.

MAGNETIC RING INCLUDED

Don't have a smartphone with a built-in magnet? No problem! The Xblitz FX9 Power comes with a special magnetic ring that allows you to attach your phone securely to the holder. Simply stick it to your phone case – and you're good to go!

USE IT ANYWHERE **NOT JUST IN YOUR CAR**

The Xblitz FX9 Power is a magnetic mount that combines convenience with reliable functionality. It securely holds your phone not only in your car but also wherever you want to use your smartphone while keeping your hands free.

USE IT WHEREVER **YOU LIKE!**

The Xblitz FX9 Power gives you total freedom. At home, it's perfect when you're watching your favorite show, following an online recipe step by step, or recording a vlog. Simply attach it to any flat surface, and using your smartphone during any activity becomes simple and comfortable.

ONE HOLDER

- TWO WAYS TO USE IT

The Xblitz FX9 Power offers two convenient mounting options:

- **Option 1:** Attach the holder to a flat surface using the automatic vacuum suction, then place your magnetically mounted smartphone on it. Stability and convenience guaranteed.
- **Option 2:** Attach the magnetic side of the holder to a metal surface – like a fridge or shelf – and then secure your phone to it using the suction pad.
